Jessica Mendiola, Árbol de la Vida Hall

1. What is your home town and state?

   Laredo, Texas

2. What are your favorite hobbies?

   I love to shop, go to the movies, and watch Netflix.

3. Where did you get your Bachelors? In what?

   I earned my Bachelor of Arts in History from Texas State University in San Marcos, TX.

4. Where did you get your Masters? In what?

   I earned my Master of Education with a major in Student Affairs in Higher Education from Texas State University in San Marcos, TX.

5. What is one unique skill or talent?

   Dream interpretation. I can see connections between your dreams and your life. The more I know you and what is going on in your life, the better I can interpret.

6. What is the best part about being a CD?

   Getting to work with an RA team and Hall Council members is one of my favorite parts about being a CD. They are amazing leaders on campus and in the community, but they are also students trying to juggle multiple responsibilities. I am always impressed by their dedication to building authentic relationship within their communities.
