Graduate Community Director Bio

Tanzida Zaman, Coconino Hall

1. What is your home town and state?
   Glendale, AZ.

2. What are your favorite hobbies?
   My favorite hobbies include cooking, baking and reading.

3. Where did you get your Bachelors? In what?
   I got my Bachelors degrees from UA in Physiology and Middle Eastern and North African Studies.

4. Where did you get your Masters? In what?
   I am currently pursuing my MPH in Epidemiology here at the College of Public Health.

5. What is one unique skill or talent?
   I am really good at reading upside down and I can sing “Head, Shoulders, Knees, Toes” in multiple languages.

6. What is the best part about being a CD?
   The best part about being a CD is definitely helping develop student leaders. I’ve gained so much of my leadership abilities through Residence Life, and it’s so fulfilling to know that we can provide others with that same opportunity.
