Community Director Bio

Zach Santos, Likins Hall

1. What is your home town and state?

   I am from Chico, California, which is about 2 hours north of Sacramento.

2. What are your favorite hobbies?

   I enjoy most sports, but I love Ultimate Frisbee and swimming the most. I also enjoy playing video games and doing jigsaw puzzles.

3. Where did you get your Bachelors? In what?

   My Bachelor’s degree is in Geological Engineering from Colorado School of Mines.

4. Where did you get your Masters? In what?

   I will Graduate with my Master’s degree in Higher Education Administration this May from the University of Arizona.

5. What is one unique skill or talent?

   I recently discovered that I have a talent for throwing small SOFT food objects as high as I can up in the air (grapes, goldfish crackers) and being able to catch them pretty much every time. I’ve been told it’s a pretty impressive skill.

6. What is the best part about being a CD?

   My favorite part about being a CD is getting to know and serving the student population here at the University of Arizona. I really enjoy working with the RA team to help residents get the most they possibly can out of their residence life experience.
