Dear Parents,

We at Residence Life want to welcome you into the Wildcat family! We’re excited about this coming year and all that your student will experience while they’re living with us on campus. We know that this transition can come with a lot of stress – and maybe even some sadness as your student leaves home – please know we are here to help!

To make the transition to university life and moving into the residence halls as smooth as possible for you and your family, this email is all about move-in. Look it over and if you have any questions you can reach us by phone, email or on social media.

**Move-In**

For additional information about move-in, be sure to check out the move-in section on our website. Helpful links include:

- unloading and parking maps
- information about additional fee-based services
- a downloadable “What to Bring” checklist
- a helpful map for shopping in Tucson
- upcoming ‘Wildcat Welcome’ events *(some just for parents!)*
The move-in process is divided into three parts:

1. **COMPLETE**
   - Online Pre-Arrival Process (August 3rd-9th)

2. **ARRIVE**
   - at your hall at your Assigned Time

3. **MOVE IN!**

   **1** If your student has their hall/room assignment, they must complete their Online Pre-Arrival between August 3 and 9 (they’ll receive email prompts when it becomes available). If your student is still waiting for their hall/room assignment, they will complete the Online Pre-Arrival Process once they receive their assignment.

   **2** As soon as your student has a hall/room assignment, an assigned move-in time will show in My UAHome. *(Sorry parents, there is currently no guest log-in for this system, so please make sure your student signs into their account to view their move-in time.)* We assign move-in times in an effort to control traffic and shorten check-in wait times, so we ask that your student arrives to their hall as close to their assigned time as possible. Next, choose your student’s move-in day from the dates in the calendar below.
