**2010-2011 HOUSING APPLICATION CHANGES:
 COMMUNITY PREFERENCES—TERMS
 For Unassigned Students Only**

- You may change your hall/community preferences **only if you have not yet been assigned**. If you **have** been assigned and wish to request reassignment, please use the Reassignment Request form or submit your reassignment request on-line on our website.
- Submitting this request will **not** change your housing priority date.
- Assignments to a particular hall, apartment or room type are not guaranteed. The changes you make to your application are **requests** only.
- If you are interested in a Living-Learning or Theme Community and wish to include it, please see our website for instructions.
- If you have requested a roommate, his/her preferences should match yours and that person should also submit these changes.
- You must check one of the two boxes in the Assignment Priority section. If you do not make a selection, we will assume that the community preferences you are submitting on this form are more important to you than any roommate request you may have.
- If you are requesting an *Honors Residential College* hall, and you have a mutual roommate request, that person must also be admitted to the Honors College.
- By signing the form on the right, you have agreed to these Application Changes: Preferences and/or Roommate Terms.

Cut along the dotted line and mail, fax or drop off this form to the address located on the top left.

Please keep this section of the Application Changes Terms for your records.
